Hotel Park je smješten u srcu kilometarske šljunčane plaže i odmah uz najljepšu malu luku na Jadranu u središtu grada Makarske.

Conceived with love and outfitted in the most luxurious style of modern architecture, with proper attention paid to the use of new technologies and natural materials, featuring a brave choice of colors, and comfortable and fashionable furniture especially designed with you in mind, along with numerous other special features, the Park Hotel is opening its heart only for you with the enormous enthusiasm of its experienced and brilliantly trained hotel staff, who will take care of you throughout your entire memorable vacation.

The Park Hotel is located in the very heart of the famous kilometers long pebble beach, just next to the most beautiful small harbor in the Adriatic, in the very center of the town of Makarska.

Drevni grad. Centar jedinstvene Makarske rivijere. Prvo i najbolje turističko odredište u Hrvatskoj.

Dvije uvale utisnula je snaga mora u samo srce velebrne planine Biokovo (najviši vrh Sv. Jure 1.762 m), koja se nad gradom nadvila kao dijamantna aureola. Ponosita, visoka, sivo plavičasta. Uz kilometre ivičnjaka blistavog lelujavog plavetnila i srebrne visoke stijene prostrla se niska biserne plaže, obrubljene zelenilom bora, masline, brnistre, kadulje, ružmarina, lovora, rogača...

Kao u gnijezdu raširila se Makarska, nekad grad ponositih ribara i težaka - danas grad mladosti, sportaša, turista... Grad turizma.

Prošećite njenim uskim kalama, odmorite se u njenim prekrasnim zelenim parkovima, stopite se s neponovljivim umjetničkim djelom prirode... budite jedno!

The old town. The center of the unique Makarska Riviera. The very first and best tourist destination in Croatia

Two bays extend the power of the sea into the very base of the magnificent Biokovo Mountain (with the highest peak of Sv. Jure at 1762 m above sea level), which towers above the town like a diamond halo. A proud, amazingly high, lavender-grey aureole. The kilometers long bays, defined by the glittering undulating brilliantly blue sea and the shining silvery high cliffs, are bordered by lines of beaches like pearls, protected by the shade of pines, and the greenery of olive trees, broom, sage, rosemary, bay, carob...

Makarska spread in its nest, once the town of proud fishermen and farmers, and today a town of youth, sport, and, most of all, tourism.

Stroll through its narrow picturesque streets, rest in its wonderful green parks, enjoy the inimitable artistic creations made by nature... become one with this world!
